

Crisis Support - Richmond

Financial Issues

**IN CASE OF
EMERGENCY**

Local Assistance Fund

The fund supports vulnerable adults to move into or remain in the community, and to help families under great pressure to stay together.

Awards are made in-kind, for example, by supplying household goods and basic necessities.

The fund provides practical support for vulnerable people who are moving into or seeking to remain within the community; for example, you may have recently experienced a crisis and need a few basic essential items to help you cope. You may apply for **up to two awards of emergency food and / or utility top-up** in any 12-month period. For other items provided under the fund, a **maximum entitlement of two items** may also be awarded within the same 12-month period, only one of which may be a white good item.

To be eligible for support, you must also be able to demonstrate that you:

- are 16 years or over;
- live in North Yorkshire;
- receive a means-tested benefit or have a household income below the low income threshold (currently £16,105) and less than £1,000 in capital; or
- have a need that cannot be met from other forms of support.
